Project Information (Fill-up by Student)

Project Title: Metro Rail

Features & Description:

Our project is based on the current plan of our government regarding the metro rail project,

1. It will contain a structure of house, tracks and cart for metro rail.
2. Then behind the structure there will be a city and above them a sky scene.
3. Underneath the structure there will be a traffic scene with cars.
4. Some objects like cart will be animated which will move from one point to another.
5. Some cars on the road will also travel across road.
6. There will also be a transition of day and night.
